## ABOUT ME

I just graduated with a degree Bachelor of Science in Information Technology from Cagayan State University - Sanchez Mira, Cagayan. I possess hands-on experience in web and mobile development, database administration, networking, and IT technical support. I have a passion for technology, I am responsive to team requirements, disciplined in my work attitude, and proactive problem solver. I am able to learn new technologies rapidly and perform well in dynamic environments. I aspire to grow in a fast-moving tech environment that encourages creativity and advancement, where I can utilize my skills, expand my career, and contribute to impactful tech solutions.
